Ad Text Questions about why police shot and critically wounded a 17-year-old Somali refugee in Salt Lake City grew Monday as civil rights groups called for answers and several hundred protesters took the streets holding signs that read, "Stop killer cops." It's very insane when those who are to protect us have turned into serial killers. The most annoying part is that they have refused to release the footage video. They need retraining. Whatever happened to Tasers? Whatever to rubber bullets? Whatever happened to shooting shots in the sky as a warning? Why are police wearing body cam and we can't see it? If they're right, let's see it.
